

FRIENDS WITH PLANTS

Tante Andante and Zigola Pioppo

SCHOOL PROJECT

FOR AGES 4-14: FROM
KINDERGARTEN TO MIDDLE
SCHOOL

ABOUT: CREATING A PERSONAL
RELATIONSHIP WITH PLANTS AND
TREES

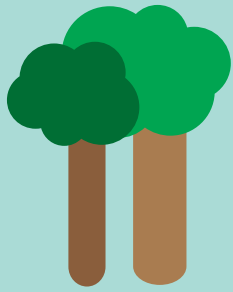

MULTI DISCIPLINARY
MUSIC OF THE PLANTS

WHAT IS MUSIC OF THE PLANTS?

- a little device measures the biological fluctuations in the plant
- the changes in the plant are translated into musical notes
- every plant has a different melody and responds to its environment
- children learn to notice the plants
- and perceive a dialogue and relationship

INTERESTED IN MUSIC OF THE
PLANTS? SEE

ABOUT THE PROJECT

Projects that stimulate the use of all senses. Being in contact with nature, also in the classroom. Creating friendships with plants and trees

PLANT MUSIC WEEK

- DURATION OF ONE WEEK, INTEGRATED INTO THE USUAL SCHEDULE
- TEACHERS CAN DEDICATE THEIR LESSON TO THE PLANTS IF THEY WANT
- OUR TEAM MEMBER IS PRESENT ALL WEEK FOR SUPPORT
- THE MUSIC OF THE PLANTS PLAYS ALL WEEK IN CLASS
- DAILY PLANT GREETING ROUTINES
- ONE INTRODUCTION LESSON AT THE BEGINNING OF THE WEEK
- ONE CONCLUDING ACTIVITY AT THE END OF THE WEEK

WEEKLY OR MONTHLY LABORATORIES

- cultivate the friendship with the plants
- integrate activities into the school program
- taking care of the plants at school
- building dedicated spaces at school
- A monthly or (bi-)weekly lesson
- Learning artistic, musical and manual skills

A possible conclusion of the project is a concert with plants performed by human and plant artists. For all ages

Zigola is singer, artist and scientist. Since many years she works with children in workshops and musical performances. **Benedicte Riis** is writer, musician, teacher and performer, creator of Tante Andante houses all over the world and founder of Teaching with Hans Christian Andersen
